INTEX

Intex Manufacturing and Distribution Complex, Xiamen, China

2021

Intex is committed to delivering top quality products at a great value with the backing of a responsive Customer Service organization. Our above ground pool line begins with our world famous Easy Set® pools that are great for families purchasing their first pool, to our upscale Prism Frame™ pools that are an attractive step up, to our deluxe Ultra XTR® Frame pools that are beautiful, incredibly strong and large enough for the whole neighborhood to swim in! And no pool is complete without accessories. That's why Intex provides a full line, including sand filters, saltwater systems, filter pumps, cartridges and much more that will extend your customers' swimming season and keep them coming back for more. Ask your Intex representative for any of our product catalogs – we are confident that you will agree that Intex's product line-up is unmatched in meeting your needs.

ABOUT US

The Intex Family of companies is dedicated to developing and manufacturing the highest quality products that not only provide the best value in price, but are innovative, fun and exciting. Backed by excellent Customer Service, Intex also provides first-rate after sales support. The 100+ independently owned and locally operated companies that make up the Intex Family, all embrace this commitment to quality, service and price and are committed to working together to ensure the satisfaction of the families and individuals in countries across the globe who enjoy these products. This has become the hallmark of Intex around the world.

As a true industry leader, Intex boasts state of the art factories, trained and motivated people, products that meet rigorous testing requirements, and a Customer Service organization that will go extra lengths to ensure our customers are satisfied and happy with their purchases.

When you purchase an Intex product you can be confident that you are buying the best product, at the best price, backed by the best Customer Service organization in the industry.

THE LEADER IN
ABOVE GROUND POOLS

INTEX PROVIDES THE BROADEST, MOST INNOVATIVE LINE OF ABOVE GROUND POOLS IN THE WORLD.

HYDRO AERATION TECHNOLOGY™

Intex® is proud to introduce our innovative Hydro Aeration Technology™ – transforming the Above Ground Pool industry, by bringing revolutionary water aeration techniques into your backyard above ground pool.

Precision engineered to fine tune our line of filtration systems, Hydro Aeration Technology™ has been incorporated into all our cartridge filter pumps, all sand filter pumps, and all combination filtration systems.

IMPROVED CIRCULATION AND FILTRATION

Fine particles in water clump together and settle to the bottom of the pool during the aeration process, making it easier to filter and remove sediments through the filtration system. The improved filtration and circulation make the pool water healthier and more comfortable.

IMPROVED WATER CLARITY

By mixing air with water, the aeration process induces oxidation of iron and manganese, eliminating staining in water. The result is sparkling pool water that looks and feels great!
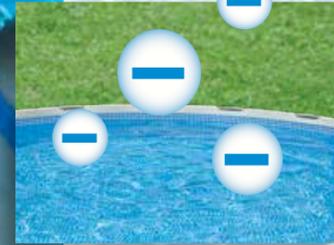

INCREASED NEGATIVE IONS AT THE WATER SURFACE

Increased negative ions have been proven to improve the air freshness around the pool as it removes air pollutants and neutralizes free radicals that affect air quality.

Without Hydro Aeration Technology™

With Hydro Aeration Technology™

Let INTEX keep you cool with the perfect size pool

Intex offers an array of above ground swimming pools for every family and every outdoor space. From pools for younger children and small yards to pools spacious enough for a pool party, we have every size, style and design you can imagine.

PRISM FRAME™ POOLS
Stylish and affordable premium pool!

Prism Frame™ Premium Pools:

INNOVATIVE NEW T-JOINT
PRECISION ENGINEERED

SIMPLIFIED ASSEMBLY
• No more pins to try to align and insert – simply push all the pipes into the Composite T-Joints for a snug fit

RUST PREVENTION
• Composite T-Joint creates a water-tight seal with the pipe – preventing internal rust from forming
• Composite T-Joint won't damage metal coating during pool use – preserving exterior rust protection

DURABILITY
• Composite T-Joints are engineered for high strength and infused with UV inhibitor to ensure weather resistance and long service life

PRISM FRAME™ RECTANGULAR
PREMIUM POOLS

ENHANCE YOUR SWIMMING EXPERIENCE

The Prism Frame™ Rectangular line of pools is designed to fit any backyard. The pools are built to provide extra swimming space, and they hold more pool water than traditional round frame pools, allowing swimmers to appreciate the maximized swimming area. Constructed with puncture-resistant 3-ply durable material, the inside liner offers beautiful mosaic tile design. With a sophisticated look, Intex Prism Frame™ Rectangular pools will provide families with endless summer fun!

GRAPHITE GRAY PANEL™ POOLS

INTEX'S HIGH-END PANEL WALL POOL BRINGS INCREDIBLE VALUE AND SOPHISTICATION TO YOUR BACKYARD

Following the latest color trends in exterior decking and home siding, the Graphite Gray Panel™ Pool offers the appearance of a high-end, custom-built swimming pool at a value you may only expect from Intex. While the panels have the look of natural wood, they are made of high-density plastic, eliminating the need for weather staining or termite protection. Better yet, the Graphite Gray Panel™ Pool is easy to assemble and comes equipped with Intex's highest-grade pool accessories, including the Krystal Clear® Sand Filter Pump.

KRYSTAL CLEAR®
FILTRATION &
SANITATION SYSTEMS

INNOVATION IN POOL MAINTENANCE

Swimming pool maintenance plays an integral part in your overall pool owning experience. Intex understands that the process of keeping your pool water clean can be overwhelming, that is why we have designed and engineered our line of Krystal Clear® filtration and sanitation systems to take the leg work out of keeping your pool sparkling clean.

COMBINATION FILTRATION & SANITATION SYSTEMS

SAND FILTER PUMP & SALTWATER SYSTEMS WITH E.C.O. (ELECTROCATALYTIC OXIDATION)
Combines sand filter pump with saltwater system

HYDRO**AERATION**TECHNOLOGY™
2 models
(Details on page 43)

POOL FILTRATION SYSTEMS

CARTRIDGE FILTER PUMPS

Advantages:
• Cartridges provide excellent water filtration
• Easy to use: simply replace the old cartridge with a new one every 2 weeks
• Intex high quality replacement cartridges are widely available
• 24-hour auto timer on some models

HYDRO**AERATION**TECHNOLOGY™
5 models
(Details on pages 36-37)

SAND FILTER PUMPS

Advantages:
• All natural sand provides excellent water filtration
• Economical & environmentally friendly
• Requires virtually no maintenance except replacement of sand every 5 years
• 24-hour auto timer included

HYDRO**AERATION**TECHNOLOGY™
4 models
(Details on pages 38-39)

POOL SANITATION SYSTEMS

SALTWATER SYSTEM

Advantages:
• Eliminates bacteria & algae from pool water using a virtually undetectable amount of all natural salt
• Much gentler on skin, eyes, clothes, and hair than packaged chlorine
• Salt is economical & much more environmentally friendly than packaged chlorine
• 24-hour auto timer included

3 models
(Details on page 40-41)

SALTWATER SYSTEM WITH OZONE

Advantages:
• Ozone is the most powerful sanitizing method for pool water
• The only 100% natural and biodegradable pool sanitizing agent
• Odorless
• Saltwater system provides residual cleaning action and soft, smooth water for swimmers
• 24-hour auto timer included

1 model
(Details on page 41)

POOL FILTRATION SYSTEMS

KRYSTAL CLEAR® CARTRIDGE FILTER PUMPS

Efficient filtration is essential for a quality swim experience. Who wants to swim in a dirty pool? Intex's line of pumps and cartridges guarantee a cleaner pool with:

• Powerful pumps in several of our most popular pool sets
• Filter cartridges with thicker, heavier paper and more pleats
• Water inlet jets for enhanced water flow back into the pool
• 2-year warranty

The results will be faster water circulation, improved filtration, and best of all a superior swim experience!

#28603
#28604

#28637
#28638

#28635 #28636

#28633 #28634

• Easy installation – just hook-up hoses and plug in
• Double insulated pump
• Air release valve for air trapped inside filter chamber
• Sediment flush valve at bottom of filter chamber (28635/28636/28633/28634)

• Auto timer for easier use (28635/28636/28633/28634)
• Conforms to UL/CSA standards (110–120V models)
• CE approved (220–240V models)
• TUV-GS approved (GS designation models)
• Shelf box

KRYSTAL CLEAR® SAND FILTER PUMPS

Sand Filters are one of the most popular ways to keep pool water clean. Not only is it effective, it saves on cost and time since the sand needs replacement just once every five years – making the sand filter system one of the easiest to maintain. As an alternative, Intex Glass Filter Media (item #29058) may also be used in place of conventional sand.

POOL SANITATION SYSTEMS

KRYSTAL CLEAR SALTWATER SYSTEM™

The ECO-friendly Pool Water Sanitizer

The Krystal Clear Saltwater System™ combines a unique two stage technology to sanitize pool water.

First, an undetectable level of natural swimmer-safe chlorine is produced when environmentally friendly natural salt is added to pool water and passes through a titanium electrolytic cell during the filtration process. The result is soft, fresh, clean water without the potential harsh side effects of packaged pool chemicals.

Second, with the E.C.O. (electrocatalytic oxidation) process, water molecules are split into highly powerful oxidants which destroy organic contaminants such as bacteria and algae. The combination of these powerful oxidants with natural chlorine results in the strongest and safest pool water sanitation.

This second process, unique to the Intex Saltwater System, provides consumers with an important benefit. The process of E.C.O. is so effective, the amount of natural chlorine needed and generated by the system is reduced by approximately 60%. Which means that your customers not only get the great benefits of a saltwater system, they enjoy it with much less chlorine than other saltwater systems generate!

KRYSTAL CLEAR SALTWATER SYSTEM™

NEW

#26663 #26664

NEW MAX POOL SIZE: 4,500 GAL (17,413L)
#26663E
Krystal Clear Saltwater System™ CG-26663

KRYSTAL CLEAR® OZONE AND SALTWATER SYSTEM

Professionals Know That The Ultimate Pool Sanitation Method Is Ozone.

Only Ozone provides virtually complete, instantaneous, odorless, all-natural sanitation of pool water. Ozone eliminates bacteria over 3,000 times faster than chlorine. And because it has up to 100 times the oxidizing power of chlorine, it cleans pool water without the chemical smell that swimmers often associate with chlorine.

Intex has brought this powerful technology together with the benefits of our saltwater system to provide your customers with the very best in above ground pool sanitation. By combining the incredible sanitizing strength of ozone with the great swimming comfort that saltwater systems provide, your customers can enjoy a truly wonderful pool ownership and great swimming experience for years.

A totally effective, odorless, effortless, all natural solution to maintaining crystal clear, soft, clean pool water... from Intex!

COMBINATION FILTRATION & SANITATION SYSTEMS

KRYSTAL CLEAR® POOLWATER SYSTEM

Sand Filters are one of the most desirable methods to keep pool water clear and sparkling. Not only does the all-natural, inexpensive sand do an excellent job of filtering the water, it needs replacement only once every five years, making sand filter the easiest maintenance filtration option on the market. As an alternative, Intex Glass Filter Media (item #29058) may also be used in place of conventional sand.

Saltwater systems with E.C.O. (electrocatalytic oxidation) are known for their ability to keep pool water clean and safe, while eliminating the harshness of traditional packaged chlorine.

Intex has combined these two excellent systems into one product, providing above ground pool owners with ONE low cost, low maintenance system that will keep pools clean, safe, and comfortable for swimmers. Both systems are controlled automatically with one 24-hour timer to make daily operation carefree!

POOL ACCESSORIES

GET THE MOST OUT OF YOUR POOL

Happiness is a good time and a clean pool. So whether you're splashing around or just cooling off, this summer Intex has everything you need for a sunny day by the pool. With pool covers, ground cloths, and pool maintenance kits, Intex's full line of pool accessories will help make owning a swimming pool less of a chore and leave more time for fun in the sun. Look to Intex this summer and find out how good owning a pool can be.
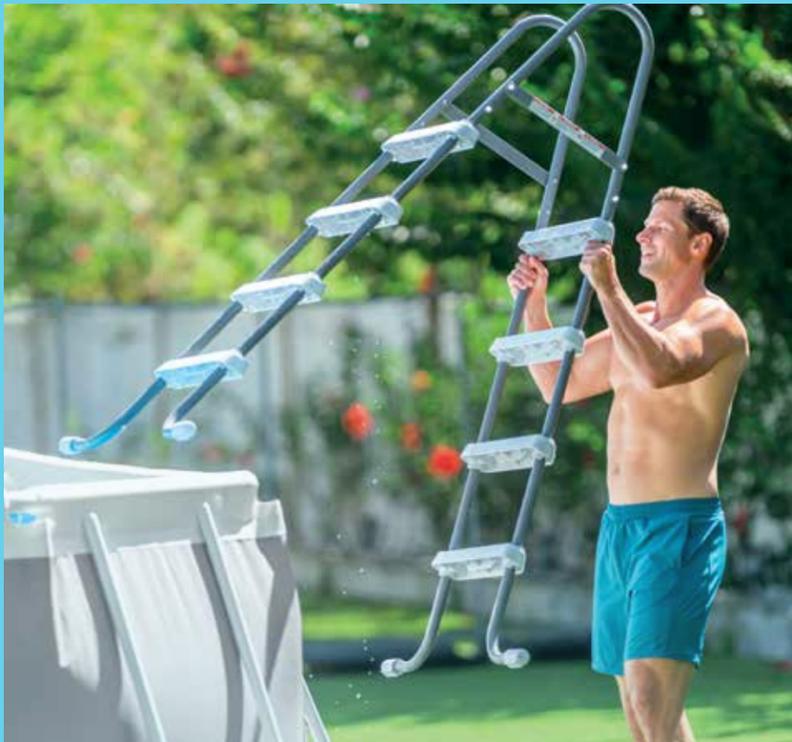

SOLAR MAT

#28685 / E

- Eco-Friendly Solar technology that increases the temperature of the pool water by approximately 3° ~ 5°C (5° ~ 9°F) depending on weather condition
- Suitable for AGPs up to 8,000 gal (30,280L)
- Simple hook up, compatible with pump flow rate less than 1,500 gal/h (5,678L/h)
- 1m² (11ft²) surface to absorb the sun's rays
- Easy to drain, easy to store
- Dimensions: 1.20m x 1.20m / 47¼" x 47¼" (flat, before fill)
- Constructed of heavy duty UV stabilized PVC
- Includes:1¼" (32mm) hose attachment points
    1 adaptor A and B for 1½" (38mm) hose connection
    0.5m (1¼"/32mm diameter) connecting hose
    Bypass valve
- Shelf box
    3 ea, 19.0 lb (8.6 kg)

#28685

The Intex Solar Mat is an energy efficient way to capture the sun's rays to heat up your above ground swimming pool. Designed to work with a variety of Intex filter pumps, this heater is perfect for increasing your swimming session with warmer water, using environmentally friendly solar heating technology.

HEATER

#28684

- 220-240V with RCD
- Compatible with round Easy Set® or Metal Frame pools 15' (4.57m) diameter or smaller
- Easy hook-up and operation
- Water level sensor
- Easily connects to new or existing pool filter system
- Shelf box
    4 ea, 31.6 lb (14.4 kg)

#28684

POOL DRAIN PUMP

#28605E
POOL DRAIN PUMP

- Pumps up to 950 gallons (3595 liters) of water per hour with 16' (5m) long drain hose
- Power cord length: 25' (7.6m)
- Maximum operating water depth: 4' (1.22m)
- IPX8 waterproof housing
- Includes 1¼" x 16' (32mm x 5m) drain hose
- Adaptor for garden hose attachment
- Shelf box
    2 ea, 14.1 lb (6.4 kg)

#28606
POOL DRAIN PUMP

- Same as 28605 except 220-240V
- Power cord length: 33' (10m)
- Shelf box
    2ea, 14.8 lb (6.7 kg)

#28605 #28606

CHEMICAL DISPENSERS

#29040NP / EP
5" (12.7cm) FLOATING CHEMICAL DISPENSER

• Holds up to 1" (2.5cm) chlorine or bromine tablets
• Made of durable non-corrosive polypropylene material
• Adjustable control ring to control the release of chemical
• Twist-lock cap
• Suitable for Intex pools up to 12' (3.66m) and PureSpa™
• Tablets not included
24 ea, 5.5 lb (2.5 kg)

#29040

#29041NP / EP
7" (17.8cm) FLOATING CHEMICAL DISPENSER

• Holds up to 3" (7.6cm) chlorine or bromine tablets
• Made of durable non-corrosive polypropylene material
• Adjustable control ring to control the release of chemical
• Twist-lock cap
• Suitable for all Intex pools
• Tablets not included
12 ea, 7.2 lb (3.3 kg)

#29041

2-IN-1 FLOATING CHLORINE DISPENSER WITH THERMOMETER

#29043 /E
2-IN-1 FLOATING CHLORINE DISPENSER WITH THERMOMETER

Pool maintenance has never been easier! Our dual function floating chlorine dispenser with thermometer dispenses 1" chlorine or bromine tablets. The adjustable control ring allows you to regulate the amount of chlorine dispensed in your pool, and with a built-in thermometer, you will always know the water temperature in your pool. An essential pool maintenance accessory that will allow you to spend less time cleaning and more time swimming!

• For use with 1" (2.54cm) chlorine or bromine tablets
• Suitable for use in Intex spas and pools up to 12' / 3.66m diameter
• Built-in thermometer
• Made of durable non-corrosive polypropylene material
• Adjustable control ring for chlorine feed rate
• Tablets not included
12 ea, 5.1 lb (2.3 kg)

#29043

SURFACE SKIMMER

#28000 / E
Deluxe Wall Mount Surface Skimmer

• Attaches to filter pump for automatic skimming
• Minimum filtration pump flow rate required: 1,000 gal/h (3,785L/h)
• Easily mounts to Easy Set® or metal frame pool sidewalls with adjustable bracket
• Helps catch leaves and other debris before they sink to the bottom of the pool
• Durable polypropylene plastic is not affected by pool chemicals
• Strainer basket pulls out for easy cleaning
• Shelf box
4 ea, 18.7 lb (8.5 kg)

#28000

POOL THERMOMETER

#29039 / E

• Floats upright
12 ea, 2.2 lb (1.0 kg)

#29039

POOL FOOT BATH

#29080 / E

• Reduces amount of debris & dirt entering your pool
• Easily connects to ladders to rinse off feet before entering pool
• Anti-slip bottom designed for safety
• Perfectly fits all Intex ladders
• Size 22" x 18" x 3.5" (56cm x 46cm x 9cm)
• Water Capacity: 3 gal (11.5L)
12 ea, 16.1 lb (7.3 kg)

#29080

- 94" (2.39m) lightweight telescoping aluminum pole
- Shaft adapter to fit longer/wider telescoping aluminum poles
- Two interchangeable brush heads
- Automatic shut-off feature when vacuum is not submerged in water
- IPX8 waterproof switch for added protection against water submersion
- USB cable included for convenient recharging
  (plug not included)
  4 ea, 29.0 lb (13.2 kg)

#28620NP

SOLAR COVER REEL

#28051 / E

There are many great benefits in covering your above ground pool, but the hassles of applying and removing the cover can be daunting. Intex's Solar Cover Reel is conveniently designed to easily attach to the metal frame of your pool, and it is size adjustable, making the covering and uncovering of the pool simple and easy! A locking feature on the handle will prevent the cover from unintentional unrolling. Enjoy the benefits of your solar pool cover with the hassle-free Solar Cover Reel.

- Heavy duty construction with interlocking aluminum shaft
- Easy to install and use
- Significantly extends service life of solar cover
- Non-corrosive plastic hand crank with lock
- Suitable for rectangular frame pools with width from 9' – 16' (2.74m – 4.88m)
- Solar cover not included
- Shelf box
  2 ea, 34.9 lb (15.9 kg)

#28051

POOL BENCH

#28053 / E

Feel like taking a little break from swimming and water play and just relaxing in your above ground pool? The convenient Intex foldable Pool Bench makes it easy – just unfold the bench, sit and relax for a while without having to leave the pool. Children will love having a surface to rest on within the pool as well.

- Easily attaches to all frame pools, such as Intex Metal Frame,
  Prism Frame™ and Ultra XTR® Frame pools
- Simply place over the side of the pool and tighten the included hardware – no tools required
- Folds flush with the sidewall, so it's never in the way
- Wide contoured seating surface and backrest for comfortable use
- Maximum load capacity: 220 lb (100kg)
  2 ea, 38.9 lb (17.7 kg)

#28053

POOL CANOPY

NEW #28054 / E

Take a break from the sun without having to leave the pool. Constructed of durable UV protected fabric, this canopy shade boasts a simple design that easily attaches to a range of above ground swimming pools. The sturdy construction withstands wind speed up to 16⅜ft/s (5m/s).

- UPF 50+ and waterproof
- Simple setup – easily attaches with clamps
- Add another canopy to increase the shaded area
- Fits all Prism Frame™ Rectangular, Prism Frame™ Oval and Ultra XTR® Rectangular pools
  (except 32' x 16' x 52"/ 9.75m x 4.88m x 1.32m) and 10' (3.05m) and 12' (3.66m)
  diameter round pools
- Shelf box
 3 ea, 30.8 lb (14.0 kg)

**#68697 / E
LED OTTOMAN**

• 34" x 13" (86cm x 33cm) inflated
• Great for indoor or outdoor use
• IPX8 waterproof
• 5-hour auto shut-off
• Rechargeable 2500mAh battery
• 12 white LED lights, 2.4W
• 1 RGB LED light, 3W
• USB cord for charging
  (wall charger not included)
• Repair patch
• Shelf box
  3 ea, 10.3 lb (4.7 kg)

SOLAR POWERED LED FLOATING POOL LIGHT

Illuminate your summer evenings with our Solar Powered Floating LED Pool Light. Whether you simply wish to illuminate your pool with static white light or create a special atmosphere with smoothly changing colors, this floating pool light is the perfect solution. The light turns on automatically in the dark and turns itself off once exposed to light. This versatile floating light provides a fun pool environment for all occasions.
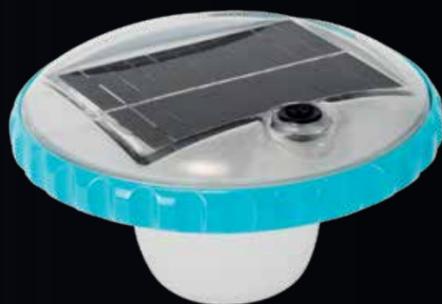

**#28695 / E
Solar Powered LED Floating Light**

• 2 lighting modes: static white light or
  smooth color change mode
• AUTO ON/ OFF MODE:
  Auto on at night / auto off at sunrise
• 2-hour auto shut-off (static mode)
  5-hour auto shut-off (smooth color change mode)
• Shelf box 8 ea, 8.4 lb (3.8 kg)
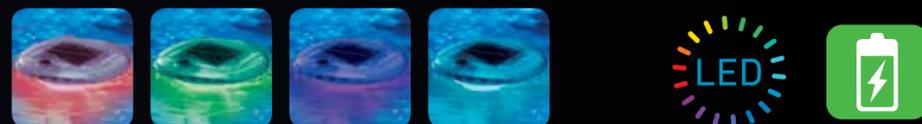

MAGNETIC LED POOL-WALL LIGHTS

Lighting up an above ground pool has always been difficult. Unlike in-ground pool owners, who could flip a switch to light up their pools, above ground pool owners had to either cut a hole in their sidewall, risking leaks and damage to their pool or use a floating light.

The Intex LED light uses magnetic technology to create a light system that safely generates low voltage current THROUGH the pool's sidewall to a powerful LED light inside and outside the pool. The advanced, energy efficient LED light delivers more brightness to your pool than a conventional 50-watt halogen pool light. So now, above ground pool owners can light their pools up just like in-ground pool owners, but without the expense and damage of cutting a hole in their pool.

The LED Pool-Wall light is the ultimate in flexibility and can be attached to any sidewall in any location – and be easily moved to different parts of the pool for different lighting effects. If the inner light unit becomes separated from the outer power source, it will automatically float to the surface for easy retrieval.

Beauty, convenience, innovation, performance, and value – all part of the Intex LED Pool-Wall light!

• Lights both inside and outside
  of the pool
• Smooth changing multi-color
• Switches for mode selection
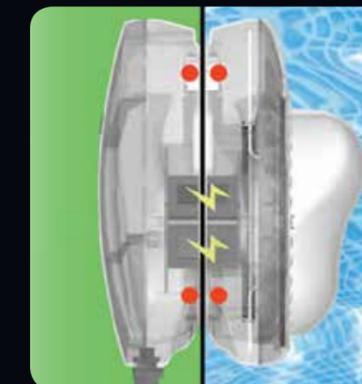

The outside unit transmits power safely and wirelessly to inside the underwater LED where the magnetic technology holds the two parts together.

#28697E

• 110-120V
• LED light
• Magnetic wall mounting system
• Easily illuminates up to 24'
  (7.32m) pools
• Shelf box
  4 ea, 12.8 lb (5.8 kg)

#28698

• 220-240V
• LED light
• Magnetic wall mounting system
• Easily illuminates up to 24'
  (7.32m) pools
• Shelf box
  4 ea, 14.2 lb (6.5 kg)

English/Spanish and multi-language
international packaging available

#28697
#28698

Features	Benefits
LED light	Extra bright, long-lasting illumination
Magnetic hook-up	• Safely transfers power directly through pool sidewall so light level will never fade • No batteries to recharge • Light is flexible and can be easily moved around pool sidewall
Bulti-in floatation	If light becomes separated from magnet, it will automatically float to surface for easy retrieval
Below 12V	Low electricity level; safe to use around pool and water

COMMITMENT TO EXCELLENCE

In today's rapidly evolving and highly competitive environment, this translates into a total commitment to product quality, including conformity to all relevant safety & quality regulations and standards. Examples include:

• EN 16927, Safety and test methods for mini pools (European standard)
• EN 16582, Safety and test methods for domestic swimming pools other than mini pools (European standard)
• Regulation (EC) No.1907/2006 "Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)"
• EN 71 "Safety of toys" (European standard)
• EN 13138 "Buoyant aids for swimming instruction" (European standard)
• EN ISO 25649 "Floating leisure articles for use on and in the water" (European/ International standard for air mats, lounges and other similar items)
• EN 60335-2-41 "Safety of household and similar electrical appliances, particular requirements for pumps" (European standard for water pumps)
• EN 60335-2-60 " Safety of household and similar electrical appliances, particular requirements for whirlpool baths and whirlpool spas" (European standard for portable SPA)
• ISO 6185-1 "Inflatable boats" (International standard for Sports Boats)
• NMMA-ABYC (USA standard for hi-end sports boats)
• ASTM F963 "Standard Consumer Safety Specification for Toy Safety" (USA toy standard)

• ANSI/APSP-4 "AGP standard" (USA standard for above ground pools)
• CPSIA "Consumer Product Safety Improvement Act" (USA regulation of consumer and children's products)
• ASTM F2666 "Small pools standard" (USA standard for pools under 36" water depth)
• UL1450 "Electric inflators" (USA standard for electric inflators)
• UL1081 "Swimming pool pumps, filters and chlorinators" (USA standard)
• UL1563 "Electric spas" (USA standard for Spa)

Intex's commitment to excellence extends to helping our environment and supporting the ecosystem. It begins with product design. Intex's filter pumps operate on much lower amps than most filter pumps in the market, reducing electricity consumption. Our saltwater systems clean pools using only natural salt, eliminating the ongoing need for environmentally unfriendly packaged chlorine.

Intex also operates one of the most comprehensive recycling program in the industry. We are one of the earliest companies in China to successfully obtain a license to ship consumer's returns in the original package back to China to be recycled. Our manufacturing waste repurposing program prevents used materials and scraps from going to landfills and instead they are re-used in the manufacturing process where up to 10% of annually produced PVC is recycled.

Intex designs all of our own packaging for our products. We constantly challenge our methods of packaging to improve efficiency and reduce waste. More compact packaging techniques save cardboard while cutting down on space utilization, saving freight and fuel consumption. As a manufacturer, Intex knows it has a responsibility to manage the amount of waste produced. As an employer of over ten thousand people, we also encourage our own employees to recycle, reduce waste, and be conscious of the environment. Starting from recycling corners for all our worldwide office facilities, our factory has worked with the local government as well as through sponsorships with key partners to strengthen our efforts to be more eco-friendly. Intex has worked to provide incentives and seminars to employees as well as setting targets to reduce energy consumption. In addition, Intex has made significant investment in technology to achieve these goals. For example, we have implemented a frequency converter system which converts diesel to natural gas, installed solar water heaters and set up a recycled sewage system, and invested in equipment that reduces gas emissions.

From product design, to more efficient processes that save energy and reduce waste, to a world class recycling program, to more energy efficient offices, the people at Intex are striving to provide the best value products anywhere while constantly keeping our global ecosystem in mind.

INTEX®
GLOBAL CUSTOMER SERVICE

Intex Customer Service Center

Phone operators are ready to answer customer questions quickly and accurately

Extensive training ensures that Customer Service Centers are staffed with knowledgeable members

In addition to the products featured in this catalog, Intex also offers replacement & repair parts for many items. Please contact our Intex representatives or the following Customer Service locations for additional information.

ALL ELECTRICAL ACCESSORIES:

· Conforms to UL/CSA standards (110-120V models)
· CE approved (220-240V models)
· TUV-GS approved (GS designation models)

TRADEMARKS

®™ Trademarks used in some countries of the world under license from Intex Marketing Ltd. to Intex Development Co., Ltd. and Intex Recreation Corp.

As a part of our program of product development and improvement, the detail specifications of the products shown in this catalog may be changed. For current specifications on any product, please contact your supplier of Intex products.

Intex introduces three additional designations in our catalog that highlight additional safety features that are included on a number of our pools. These designations are:
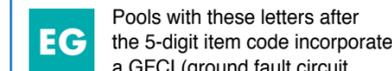

EG Pools with these letters after the 5-digit item code incorporate a GFCI (ground fault circuit interrupter) built into the filter pump. The GFCI unit is an added safety feature and is designed to instantly shut the pump off if electrical current comes into contact with water. GFCI units are included in all 110-120V filter pumps and saltwater systems.

EH Pools with these letters after the 5-digit item code feature ANSI/APSP-16 certified dual suction outlets in accordance with the latest ANSI/APSP-7 standard for Suction Entrapment Avoidance and the U.S. Pool and Spa Safety Act, and provide improved water circulation. These pools also feature pumps with an integral GFCI.

GN/GS Pools with the GN designation after the 5-digit item code either incorporate an RCD built into the 220-240V filter pump, or contain filter pumps that operate with a 12V step-down transformer, which reduces the voltage dramatically while retaining the same performance level as the 220-240V version. Both are designed to meet special national requirements in some EU markets.
